

## What I'm thankful for...

Friends,

Thanksgiving is my favorite holiday for many reasons. I love hanging out with my family; the relaxed, warm and cozy feeling; and the homemade rolls my Aunt Rosny makes every year. Butter melts just looking at those rolls! This year I'm more grateful than ever; for my beautiful, healthy, happy children; for my friends and my family; and so thankful I still get to record my music and sing it in front of appreciate audiences. I'm especially grateful to all the generous people who have helped support me and pledged to my campaign to raise money for my upcoming North American tour. I was terrified to ask for help but help has been rolling in and I'm blown away by this kindness. Thank you all! Please, spread the word and don't be afraid to pledge if you haven't already. I still need help. There are great incentives&hellip;it's a great way to pre-order the record!

Thanks, again. Your support and kind messages are so appreciated.

Happy Thanksgiving!

Sincerely,

Eleni
